

LETTER OF THE DAY: **P** SHAPE OF THE DAY:

While early literacy is the name of our game here at the library, we also like to encourage early STEM. STEM subjects offer many opportunities for children to use their minds and hands to play, explore, and learn. STEM can be as simple as measuring water, sorting blocks, creating a pattern with ducks or exploring nature!

Hello Friends/Goodbye Friends

Hello, friends. (x3)
It's time to say hello.

Goodbye, friends (x3)
It's time to say goodbye.

Tiny Tim

I had a tiny turtle
His name was Tiny Tim
I put him in the bathtub
To see if he could swim.
He drank up all the water
(glug, glug, glug)
He ate up all the soap
(chomp, chomp, chomp)
And now he's home sick in bed
with bubbles in his throat!
Bubble, bubble, bubble,
bubble, bubble, bubble
bubble, bubble, bubble
bubble, bubble, POP!

bunching them up in their fists*)

Shake them shake them shake them

We shake and we shake and we stop
We shake and we shake and we stop
