

Storytime!

@ East Central
Regional Library

THEME: Music

EARLY STEM TIP:

STEM stands for science, tech, engineering & math Building is a perfect early STEM activity. Try a challenge... Can you build something tall? How about something that can't be knocked over?

SONGS

Hands Go Up Hands Go Down

(to the tune of Twinkle, Twinkle Little Star)

Hands go up and hands go down,
I can turn around and round.
I can jump upon two shoes.
I can listen; so can you.

I can sit. I'll show you how.
Storytime is starting now

Let's Go Riding on an Elevator

Let's go riding on an elevator,
Elevator, elevator,
Let's go riding on an elevator,
Come along with me!

First floor, Second floor, Third floor, Fourth
floor, Fifth floor,
And.... down-down-down-down-down.

Shake Along with Me

Can you shake along with me?
Along with me, along with me.
Can you shake along with me?
Put your shaker on your... knee.
Repeat with different body parts

The Walrus Washes His Winter Coat

Oh, the walrus washes his winter coat
down by the wavy ocean.
He adds some water and he adds some
soap and he waits...and he waits.
..and he waits
The laundry spins/shakes (3x)
Until it's clean
